What others say about Getting Ready

“Thank you for the great job you have done in compiling and writing this book.”

J. Spitzer, Timberville, VA

“This is truly revelation insight to help the Church in our time. I pray we receive this word in season to prepare ourselves for Jesus’ return.”

B. Mitchell, ABLE Ministries, Harrisonburg, VA

Jesus is coming back ...

We have no promise in the Bible more certain than this! Now, what does Jesus expect from us?

A housewife is busy at home taking care of the children when the phone rings. Her husband calls to tell her that he is going to the airport, picking up someone very important, and bringing him home as a dinner guest.

What is she going to do? And what does her husband expect her to do? The answer to both these questions is the same: She will do everything necessary in order to be ready when this important guest arrives.

... Soon!

The Church is busy, taking care of many things. But is she, are we, ready for the coming of our Lord Jesus? What are we going to do? What does Jesus expect us to do?

The Church is not ready ...

Jesus said to His disciples, “**Be ready.**” Then He gave specific instructions as to what we need to be doing to prepare for His coming. This is what this book, **Getting Ready**, is all about.

The Church needs to get ready! If you want to be prepared for Jesus when He comes, then you want to get and read this book. Use the enclosed order form and return envelop, and order as many copies as you can use. The price is \$11.00 each plus \$2.00 for postage. Special quantity prices are available.

Other resources

In addition to **Getting Ready** I have prepared several other resources that are of value to you. These are:

Books

The Coming Day of the Lord: Understanding the Prophecies About the Return of Jesus, 208 pp., self printed, suggested donation \$14.00.

Can Biblical prophecy be understood? **YES!**
Can the “average” Christian understand it? **YES!**
Do you need a theological degree to understand the Bible? **NO!**

God is not a God of confusion, and it is His intention that all His children can understand Him clearly. This book is a study of what the Bible says and takes you through each of the major prophetic writers, including Daniel, Jesus, Paul and John, step by step.

Come and enjoy this Bible study. You will be surprised by it.

Created in the Image of God: Understanding What It Means to Walk According to the Spirit, 108 pp., self printed, suggested donation \$9.00.

Have you ever wondered why so many Christians, including perhaps yourself, struggle so much in their Christian walk?

The answer to that question is what this book is all about. It is because they do not understand how God created us to be. God created man to be a spiritual being, but most of us live in the realm of the soul, not the spirit.

Starting with Creation this book looks at God’s design for man, the effect of sin, God’s plan of redemption and re-creation, and how we can overcome the works of the enemy to live victoriously in the spirit.

This is a practical study leading to an understanding of strongholds and how to pull them down.

For though we walk in the flesh, we do not war after the flesh: For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds – II Corinthians 10:3-4

“I read your book, **Created in the Image of God**, and I give it a ‘5’ (out of 5)! The idea as you explained it of one’s spirit being made alive to God’s Spirit as exhibited in Jesus has become important to me in the healing journey I am on.”—anonymous

The complete set of all three books is available for a donation of \$30.00.

Seminars

Seminar materials have been prepared around any of the three books. Here are some comments people submitted after I taught on the subject of **Getting Ready**:

I very much appreciated the teaching on ‘living prepared’ and the context teaching of how all things fit into God’s plan.

You are an engaging communicator. I appreciate your willingness to study seriously and share what God shows you with others with a spirit of humility.

You made the presentation very down to earth and interesting.

The teacher gave us the subjects from a well researched, well studied basis, with an excited ‘freshness’ in the delivery. Unique to have both qualities simultaneously.

It “sharpened our awareness of the imminence of Christ’s return, and the importance of being ready of it.”

These seminars are important and life-changing. The length of each seminar is usually 6-10 hours of teaching time plus time for questions and discussion. Any seminar can be scheduled to meet the needs of the group, small or large, and is presented as a faith ministry.

I would be glad to send you information on any of these seminars.

I need your help. Would you consider what you can do? Here are some possibilities:

- Contact local radio/television stations about interviews.
- Organize a seminar in your home or area.
- Pray, pray, pray.

Please email me and let me know what you would like to do or any other ideas you have. Thank you.
